Chris,

Good morning. Attached is the TSCA soil RFQ that you reviewed and commented on. Please see one of the bullets in section 1.3.1 which references the truck staging.

Thanks for letting me review. I made a lot of changes which we can discuss. My most important point is that this RFQ is not only for the treated soils, but the TSCA pile also, correct? I changed the language to reflect this. Let me know what you think ----- tomorrow.

Thank you for your work on this  
Chris

Chris,

Please take a read and comment on the attached RFQ. I believe we would want to award this incrementally (per 1000 tons?). I don't know if I am explaining that correctly in the RFQ. If you and Joanna could provide some suggestions I would greatly appreciate it.

Thanks
